

SONTARA® AEROSPACE

Ideal for a wide variety of flight critical cleaning tasks

SONTARA® AEROSPACE PRODUCT PORTFOLIO

Sontara® Aerospace wipes are ideal for a wide variety of flight critical cleaning tasks

- Wiping solutions specially engineered for aerospace manufacturing and maintenance
- Meeting the tough specifications required for this industry
- Uses vary from surface preparation before coating, sealant or adhesive application, to equipment maintenance, to wiping surfaces clean or dry

SONTARA® AEROSPACE PRODUCTS:

- Sontara® Aerospace Wipes
- Sontara® Window Wipes

SONTARA® AEROSPACE PRODUCT PORTFOLIO

SONTARA® AEROSPACE WIPES

BENEFITS AND FEATURES

- AMS 3819C Class 2 Grade A certified
- Great for wiping surfaces dry, for cleaning hard-to-reach crevices, and for use on metal parts and corners because they are specially engineered to resist snagging
- Exceptionally clean – contains no chemical residue, stains or metal shavings
- Superior wipe-dry performance
- Low-linting; less likely to snag on metal parts
- Tackles isopropyl alcohol, MEK, and other tough solvents without falling apart

Product	Style	Color	Wipe Size	Packaging	Wipes per Pack	Total Wipes
Sontara® Aerospace Wipes	K900SE	White	30,5 x 42 cm	Pop-up box	250	250

SONTARA® AEROSPACE PRODUCT PORTFOLIO

SONTARA® AEROSPACE WINDOW WIPES

BENEFITS AND FEATURES

- AMS 3819C Class 2 Grade A certified
- Wiping solution designed for Cockpit transparencies, passenger windows and other acrylic, polycarbonate or glass surfaces onboard aircraft
- Proprietary fabric composition is softer than conventional wipes
- Features apertures that gently pick-up and remove dirt to reduce risk of scratching
- Contains no additives that can hamper absorbency
